

Want to have fun this summer and experience new places and new people?

Join us on the
2017 Youth Excursion
to Bismarck, N.D.
on July 24-27!

South Dakota Rural Electric Cooperatives are proud to sponsor students on a four-day trip to **North Dakota** where they will learn about energy production and the cooperative industry.

This is a chance for you to meet new people and learn how your power arrives through coal mining, electricity production and energy marketing. You will also experience the Missouri River on the Lewis & Clark Riverboat!

This trip will include...

- Sightseeing
- Exploring
- Dancing

There will be time to relax and hang out with friends during the Lewis & Clark Riverboat ride too!

You'll also tour...

- Basin Electric Headquarters
- Antelope Valley Station
- Dakota Gasification Company
- Freedom Mine
- Bismarck State College

It's an **all-expense paid trip**, courtesy of your electric co-op.
